Some FAQs...

- **What are the dates of the performances?** May 6, 7, 13, & 14 at 7pm and May 7 at 2pm. (5 shows)
- **When does the cast rehearse?** The cast rehearses Tuesday, Wednesday, and Thursday afternoons, and on some Friday afternoons/evenings (dance rehearsals). Students are not necessarily needed at every rehearsal, but are asked to keep their schedules flexible if the "call" for a certain rehearsal day changes. Count on at least 2 rehearsals a week. Students are required to attend all rehearsals they are called for.
- **What time is rehearsal?** Most rehearsals will run until 5:15pm. Friday choreography may run until 6pm. In the 3 weeks leading up to the show, rehearsals run to 6pm, 7pm, and 8:30pm.
- **Do I need to come to every rehearsal I'm called for?** Yes. If you are not at rehearsal, then you are not learning/reviewing the work everyone else is learning/reviewing.
- **Will excessive absences negatively affect my role in the production?** Yes. Students that have excessive absences risk being removed from the production.
